Docket No. 98N-1265  
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I as a patient have been using Compounded medication from Women's Health Pharmacy of Madison. It is excellent medications without much of side effects & prices are affordable. It relieves my symptoms and gives less pain than chemical pharmacies that most offer.

I as a U.S. Citizen stand up for my right and ask the Government to help us for our health on humanity basis. Women's Health Pharmacy is reaching out to help us; so please I URGE not to stop them from shipping us the medications! =  
Thanks  
Ragini Singh.
